Mr. Busy Business Man,
Anywhere,
Canada.

Dear Sir:

"A thing is never too often repeated
which is never sufficiently learned." - Seneca.

If you will thoroughly learn the following and act upon the knowledge, you will save money, time and trouble:

Fac-simile typewritten letters with individual names in each are acknowledged to be the most profitable style of advertising.

It is a good idea to send a personal Fac-simile typewritten letter to your customers announcing the coming of your traveller with special lines.

It is profitable to follow up your Catalogue with a personal Fac-simile letter, or send one with the Catalogue.

It pays to announce your "Specials" by a personal Fac-simile type-written letter, thus informing the whole trade about them inside of two or three days.

It saves you time and worry to let us send the notices of your Club Meetings.

Fac-simile typewritten letters will collect money for Churches if sent to the members of the Congregation.

We can do all your circular addressing quicker and cheaper than you can.

Our facilities for supplying lists of any trade in Canada are unexcelled.

Our Phone is Main 2229 - ring us up now and give us your order.

Yours truly,

It is a good idea to send a personal Fac-simile typewritten letter to your customers announcing the coming of your traveller with special lines.

It is profitable to follow up your Catalogue with a personal Fac-simile letter, or send one with the Catalogue.

It pays to announce your "Specials" by a personal Fac-simile type-written letter, thus informing the whole trade about them inside of two or three days.

It saves you time and worry to let us send the notices of your Club Meetings.

Fac-simile typewritten letters will collect money for Churches if sent to the members of the Congregation.

We can do all your circular addressing quicker and cheaper than you can.

Our facilities for supplying lists of any trade in Canada are unexcelled.

Our Phone is Main 2229 - ring us up now and give us your order.

Yours truly,

MIGHT DIRECTORIES LIMITED.
